

Domain Name trading is a lucrative business. Domain names are like empty real estate plots of land - waiting for business people to build businesses on them. Coming up with great domain names allows you to buy a piece of virtual land for very low cost. Selecting and buying pre-owned domains can be done at very reasonable cost. Improving the value of your domain name is like developing a land plot - you can greatly improve the value of your domain name and sell it for nice profit. Some domain names purchased for less than \$10 were sold by the authors for \$1,000s of dollars. This book will teach you the basics, and the extra knowledge to get good domains and how to sell them for profit.
