

The crown prince of the Caballians (what we know to be Centaurs) is only a youth. When his father (the king) is murdered, he tries to get on with his life as the new king. He patches his life over with new Caballian friends, and tries to do his best in his new role, earning praise from his people. But when the time comes for him to be married, his beloved becomes the victim of a freak accident in which her leg breaks, a type of fracture that has always been a deadly injury. Can her life be saved? Cleverly interwoven throughout are the stories of the Master Shoemaker (a farrier), the Master Engineer, and the Master Healer (a doctor). Adventures change and mold the young king's life as he matures. Different adventure backdrops are cleverly enhanced with alternating prose in the telling of this epic saga.

The Mindwrks Project, The Spartan Army, Mathematical Table from handbook of Chemistry and Physics, Seventh Edition, A Lone Star Cowboy: Being Fifty Years Experience in the Saddle as Cowboy, Detective and New Mexico Ranger, on Every Cow Trail in the Woolly Old West [ILLUSTRATED EDITION], The Unreadable Shores of Love: Turkish Modernity and Mystic Romance, Let the Good Times Roll, Broadway Songs for Kids: E-Z Play Today Volume 397, A Dangerous Deceit, Shisha Embroidery: Traditional Indian Mirror Work With Instructions and Transfer Patterns,
