

This book serves as a continuation of how the Boyd family contributed to the development of religious publishing in the African-American context. It is a sequel to *A Black Mans Dream* and covers essential details from R.H. Boyds seminal dream up to the present generation of Boyd leadership in the industry of religious publishing. In his keynote address to the 2004 National Baptist Sunday School and Baptist Training Union Congress, Dr. Gardner Taylor described the Boyd family as four generations of prominence. *How It Came To Be* is the intriguing story of that development. This book is useful as a text book for seminaries and Bible Colleges, as well as for all who are interested in the development of religious publishing and Christian education.
