

Practice the ancient art of Chinese calligraphy with this step-by-step guide to rendering more than 300 individual characters for use in arts, crafts and design projects. With characters as beautifully decorative as they are meaningful, this elegant script can be used to embellish just about anything and a single character can convey myriad thoughts and emotions. Organized into sections embracing themes such as celebrations, blessings, love and meditations, you can easily select an appropriate character to express that special sentiment.
