The Day The Martians Came Mass Market Paperback € November 15, Find all the books, read about the author, and more. Henry Steegman is hardly Mr. Personality aboard the Mars-bound Algonquin 9. Yet it is he who bungles upon the spectacular Macy's-like city beneath the Red Planet's crust.

Review: The Day the Martians Came. Due to blunders, errors, oversights and stupidity, America's first mission to Mars is a disaster. Only 38 of the astronauts who started the voyage are alive to return, and most of them have various forms of radiation sickness. The Day After The Day The Martians Came. by Frederik Pohl. There were two cots in every room of the motel, besides the usual number of beds, and Mr. Frederik Pohl's novel The Day the Martians Came is a fix-up of several related short stories interspersed with connecting material. The earliest story published.

A Thomas Dunne book. After a space ship disaster, thirty-eight survivors have landed on Mars awaiting rescue from Earth. It is then they stumble upon a city. Another quasi-novel (Midas World, , The Years of the City, ), an eclectic set of linked short stories exploring a common theme€”in this.
