

Davrian is back with a new, sinister plan, and will sacrifice everything and everyone... The Syndicate struggles to survive. King Alderman has called on the aid of a powerful army to deliver the death blow. And Averlaces School of Magic is ready to usher in a new era outside of Davrians shadow. Still, not all is as it seems. Despite the promise of a new horizon, King Alderman and his men are unable to gain the upper hand. The Syndicates shadow grows as the Kings Elite learn more of the guilds secrets, and it seems they are interested in more than just organized crime. What follows is a baffling mystery of crime, magic, and war, while the constant threat of failure hangs over the Elite.
