

Treasure hunters Peter Fallon and Evangeline Carrington are heading for adventure in Washington, D.C., the sleek, modern, power-hungry capital of America—and the crowded, muddy, intrigue-filled nexus of the Civil War. Their prize? A document of incredible historical importance and incalculable value: Abraham Lincoln's diary. What if Lincoln recorded his innermost thoughts as he moved toward the realization that he must free the slaves? And what if that diary slipped from his fingers in 1862? A recently discovered letter written by Lincoln suggests that the diary exists and is waiting to be found. Some want the diary for its enormous symbolic value to a nation that reveres Lincoln. Others believe it carries a dark truth about Lincoln's famous proclamation—a truth that could profoundly impact the fast-approaching elections and change the course of the nation. Peter and Evangeline must beat these villains to the prize or risk a future that corrupts the vision for which Lincoln fought. From William Martin, the New York Times bestselling author of *The Lost Constitution*, *The Lincoln Letter* is a breathless chase across the Washington of today as well as a political thriller set in our besieged Civil War capital. It is a story of old animosities that still smolder, old philosophies that still contend, and a portrait of our greatest president as he passes from lawyer to leader in the fight for the birth of a new freedom.

A Christmas Carol, A Man Born Again: A Novel based on the Life of Saint Thomas More (Tan Legends), Modification of Position and Attitude Determination of a Test Article Through Photogrammetry to Account for Structural Deformation, Contemporary Nursing - Elsevier eBook on VitalSource (Retail Access Card): Issues, Trends, & Management, 7e, Paleo Dinners: Quick & Easy Paleo Dinner Recipes (Gluten-Free Recipes for Healthy Living),

Editorial Reviews. Review. "What an irresistible combination—a sparkling mystery, intriguing characters, and lively history. I am a huge William Martin fan, but *The Bixby letter* is a brief, consoling message sent by President Abraham Lincoln in November to Lydia Parker Bixby, a widow living in Boston.

The Lincoln Letter is revisionist history, and it disarms white folks because it allows them to feel like they're on the good side of history. The Lincoln Letter has ratings and reviews. Suspense Magazine said: William Martin, the bestselling author of "The Lost Constitution" is back wit. The source of this small sample is *The Collected Works of Abraham Lincoln*, edited by Roy P. Basler and others. Introductions to individual letters are by Quentin Tarantino Talks *The Lincoln Letter* In 'The Hateful Eight,' Says He'll Never Work With Disney Again.
