

Set in the summer of 1888, A Bloodier Rose is the second book in The Sauder Diaries series. Picking up where By Any Other Name left off, Hans, Annika and the rest of the crew of the pirate airship "Bloody Rose" are once again called upon by the Allied Empires. An ancient weather weapon is at risk of falling into the hands of the Russian Empire, and the pirates are in a race against time, traveling from Europe to America then North Africa, to uncover its location and unlock its secrets. Along the way, the unthinkable happens and Hans Sauder is forced to reconsider his very place within the crew, and the life he has chosen as an airship pirate. The choices he makes, as the Bloody Rose finds herself trapped between two empires inching towards war, will affect the lives of his friends and crewmates forever.
