

New York Times bestselling author and acclaimed video game writer Drew Karpysyn returns with the second novel in an original epic fantasy series?perfect for fans of Terry Goodkind, Peter V. Brett, and Brandon Sanderson?about four young people who will either save the world or bring about its destruction. The Children of Fire?four mortals touched by the power of Chaos?each embody one aspect of a banished and fallen immortal champion: Keegan, the wizard; Scythe, the warrior; Cassandra, the prophet; Vaaler, the king. Now grown to adulthood, the Children are in search of the ancient Talismans that can stop the return of Daemron the Slayer, ancient enemy of the Old Gods. But in acquiring Daemron's Ring, they've left in their wake death, destruction, and a queen bent on revenge. For the discovery of the Talismans has unleashed a flood of Chaos magic on the land?and now their strength will be tested and their faith tried as never before. Beset on all sides by both mortal and supernatural enemies, they race to find Daemron's Sword, the last of the ancient Talismans, before the entire mortal world is engulfed in the flames of war and Chaos that will herald the return of the Slayer.
